EMPLOYMENT HISTORY

Jun 2022

Senior Instructional Designer, Northern Arizona University, Flagstaff, AZ (remote)

Facilitated the complete development and enhancement of asynchronous online courses using the Canvas LMS, CidiLabs' DesignPlus, and H5P. Collaborated with team members to conduct regular evaluations and feedback sessions, while presenting topics on web design, H5P integration, and learner engagement to students and faculty.

- Facilitated campus-wide migration from Blackboard Learn to Canvas through personalized instruction and webinars.
- Created a comprehensive catalog of assignment templates in Canvas Commons to support faculty in course development.
- Developed dynamic assessments with H5P to promote self-evaluation among students.

Jul 2021 – Oct 2021

Instructional Designer, Office of State Procurement, Annapolis, Maryland (remote)

Developed instructional content for laypersons engaging with the Maryland Office of State Procurement. Developed an interactive e-learning model using Articulate Storyline, featuring scenario-based activities and multiple assessments. Produced instructional videos with Adobe Express and ScreenPal. Designed a self-generating, printable certificate of completion using JavaScript.

- Developed engaging e-learning modules that improved user comprehension.
- Produced instructional videos that streamlined training processes.
- Designed interactive assessments to enhance learner engagement.

May 2021 – Jul 2021

Instructional Designer, Stronger as One, Flagstaff, AZ (remote)

Designed and developed engaging e-learning modules to enhance instructor orientation for Mental Health First Aid. Created self-directed video tutorials with closed captions, boosting user accessibility. Produced comprehensive PDF transcripts and a user manual for improved learner support.

- Streamlined orientation with an e-learning module featuring instructional videos and knowledge checks.
- Integrated six video-based tutorials using Adobe Express and ScreenPal.
- Enhanced accessibility through PDF transcripts and a user manual.

Jul 2020 – Nov 2020

Office Operations Supervisor, U.S. Census, Flagstaff, AZ

Supervised office operations for the U.S. Census, managing call center staff to deliver quality customer service daily to over 800 field staff in northern Arizona. Developed instructional content to enhance field staff's smartphone proficiency, critical for job performance. Supported field manager activities, including onboarding and training, while facilitating team-building events to improve morale.

- Trained call center staff in effective recruitment strategies.
- Documented onboarding and training processes for new hires.
- Created engaging team-building activities to enhance workplace culture.

Feb 2020 – Jun 2020

College Essay Writing Tutor, Tutor.com, New York City, NY (remote)

Delivered synchronous and asynchronous online tutoring in academic writing, enhancing students' writing skills. Developed a YouTube series using PowerPoint, teaching the five-paragraph persuasive essay format.

- Facilitated engaging tutoring sessions, adapting to individual student needs.

Mar 2017 – Jul 2019

Business English Instructor, Advantage, Warsaw, Poland (in-person & remote)

Delivered impactful Business English instruction, enhancing client contracts and improving learning outcomes. Developed engaging, tailored curricula using Moodle, PowerPoint, and various online resources to boost learner participation. Conducted comprehensive needs analyses and proficiency testing to align with client objectives. Collaborated with administrators to ensure seamless experiences, providing detailed documentation, including weekly updates and evaluations.

- Renewed client contracts, significantly increased overall satisfaction.
- Enhanced learner engagement through dynamic curriculum design.
- Administered thorough needs analysis to meet diverse client requirements.
- Provided comprehensive lesson documentation for transparency and progress tracking.

Jan 2017 – Jun 2019

Business English Instructor, Academy of New York, Warsaw, Poland

Instructed adults in general and business English within a classroom environment. Created engaging vocabulary-building materials and interactive board games. Developed comprehensive curricula and lesson plans tailored to student needs.

- Delivered dynamic lessons that enhanced language skills and confidence.
- Developed curriculum that ensured alignment with learning objectives.
- Fostered an inclusive classroom atmosphere that encouraged participation.
